HAKS ENGINEERS P.C., USA • ACQUIRED 27 JULY 2023

ENGINEERING • ADVISORY • SUPERVISION • REFORM • SAFEGUARDS • DIGITAL

One Firm. Thirteen Integrated Sectors. 632 Documented Sector Entries.

Javed International Consultants (JIC) combines engineering, management consulting, institutional reform, safeguards, digital transformation, education, public health, human capital and evidence-based advisory services. JIC strengthened its international engineering platform through the acquisition of HAKS Engineers P.C., USA on 27 July 2023. The consolidated project references demonstrate capability across the full project cycle—from strategy, feasibility and design through procurement, implementation supervision, commissioning, capacity transfer, monitoring and evaluation.

FULL PROJECT-CYCLE SERVICES ◆ Policy, strategy, master planning and feasibility ◆ Surveys, investigations, modelling and economic/financial analysis ◆ Detailed design, tender documents and procurement support ◆ Construction supervision, contract administration and commissioning	CROSS-CUTTING DELIVERY STRENGTHS ◆ Environmental, social, ESHS, resettlement and GESI integration ◆ Institutional reform, capacity development and change management ◆ Digital systems, MIS, data quality, M&E and knowledge transfer ◆ MDB/development-partner procedures, reporting and stakeholder coordination
